1. Minutes of last meeting/ matters arising – Kath thanked River for doing the minutes and reminded everyone of matters discussed at the last meeting.
2. Recent recruitment – The recent recruitment panel was thanked as members asked some very good questions when we were appointing a new Head. Kath assured everyone that they would all get an opportunity to be part of a recruitment panel. Julie gave out certificates and a voucher for members who were on the panel. They were Ryan, Steph and Eddy. Non-members were Georgina and Thomas.
3. Swimming – Pupils in year 10 felt that it was unfair that KS3 could go swimming and they could not. Kath explained that the timetable meant that they would miss double science every week. Kath promised to look at the timetable for next year to ensure that all pupils would get a chance to go swimming. For now, it was agreed that we would look at swimming as a one off event and organise a trip next term. One year 10 pupil said that she had no confidence in the water. Kath will look at swimming possibilities on a different day.
4. Avatar for the website – Julie explained that we would use Avatars instead of photographs for the website. Kath gave out slips with her and Julie's email addresses and a link to a website to create an Avatar. We asked pupils to try and make it look like themselves if possible. Then, when it's done to email them.
5. Future discussion points – Hayden suggested that we talk about the outside area at the next meeting.
6. AOB – Julie reminded council that we have cereal, bagels and porridge from breakfast club and asked council to remind other pupils.
7. Date and time of next meeting – 08/02/23 at 11am
