They said there are a lot of staff in the room too. Yr10 representative said the year 10s would like to be back in Beech with their friends from last year.

The council would like to acknowledge all events, eg Easter, Christmas, St Patricks day and would like to start with Halloween. They would like to wear costumes on 31.10.23 and raise money through donations on the day. They would like Halloween themed lessons and ask for decorations to be donated. They would like possibly outdoor seating in top corner of the field and decorations outside for Halloween.

ED would like teacher input to help him have more use of the 3D printer.

They discussed that some pupils have asked for the Boxing sessions to continue though the Year 11s are concerned about missing lessons. They also discussed mixing the timetable of the boxing sessions for other groups so that they do not continually miss the same lessons.
