Thank you letter from local resident

LW shared a letter of thanks with the pupils. 'Just a note to thank you for the Christmas gift you gave me, I used them all, thanks to the children as well'

All agreed it was lovely and kind of the resident to take the time to write in. Mike said it was always good to hear about compliments.

Year 11 leavers celebration planning

The Year 11s have been researching a venue. They have been to a party before at Hyde Park Working Men's Club and so are looking in to that. They have found online that it's approx £100 for room hire and approx £100 for a DJ. They suggested people could bring contributions of food and make their own buffet. They would like it during the first week in July and are interested in a weekend date but don't mind a week day.

The council suggested a bake sale to raise funds and any parent wanting to make a monetary donation would be included in the total therefore keeping monetary donations anonymous.

Mike congratulated the Year 11s for the effort that they have put in to the research so far for their leavers celebration and for being mature and keeping it all realistic.

We talked about the next steps and LW asked the pupils to contact the venue, during half term, with parent support, for a firm price and to consider if there is room for parking and if the venue allows you to provide your own buffet. They also need to find out the cost of a DJ.

At the next meeting, let LW know if they need any support with making these calls.
