

Student council meeting minutes 8.7.25

Pupils present: CG,AC,SM,KQ,LQP

Staff present: LS,MG,LW

Minutes of last meeting/Matters arising

Reminder, Josie would like any ideas from KS3 and Nurture for the pupil well being board.

AC has made his avatar for the school council board.

We are looking at swimming for everyone for half a term next year.

Music lessons are a lovely idea but budget wise we will struggle. What type of music lessons do you have in mind? The pupils are interested in guitar and drumming. MG suggested The Point and DARTS are sometimes able to provide input.

We do not have any funds available to extend the Timber trail.

We cannot further extend breaks at this time.

Though these are lovely ideas, we cannot have a pet day or a bake off due to some staff and pupils having severe allergies.

Attendance

99.3%

Careers

We attended the 'We care into the future' event at the Dome on 4.7.25. Well done to all the pupils, they enjoyed the interactive stalls and were all very well behaved throughout.

AOB

Year10s explained there had been 12 people in their class and asked if the class will be getting split next year?

Year10s also said they had not practiced for sports day. MG and LW explained that it is a fun day and so it is all just about the taking part and having fun.
