### **Funding for lunchtime activities**

Craig has secured £200 funding for equipment to be used for lunchtime activities.

1. You need to have a plan to put to Craig,

Make a list of the equipment you would like.

Look up costs of equipment, where it can be ordered from.

Think about seasons, where the activities can take place, eg Winter –Hall

The plan should include how this will work, will you supervise sessions with staff, maybe Year 10 for KS3?

Only one sports session at a time.

If we need more money, think about ways of fundraising.

2. Discuss your findings at the next meeting
3. Someone will need to type up the plan eventually, to put to Craig.

Pupils of the Student Council suggested splitting the £200 between 3 areas, KS3,KS4 and Nurture.
