

Minutes of student council meeting 22/03/23

Present

Pupils – Steph, Cain, Lily, Jayden, River, Harry, Ryan, Faith

Staff – Kath, Julie, Callum, Gabriel

Also in attendance – Mike Gallafent, Chair of Management Committee

1. Minutes of last meeting/ matters arising – They were a true record. All matters arising are on the agenda
2. Production fundraiser/ play update – Steph gave an update. She or Julie will ask Anneka for a date and time for the production to be shown.
3. Careers – Yesterday we had a careers review. Part of the review involved a student panel and some were from student council. They were highly praised for their contribution. Kath fed back the results of the student council careers questionnaire. Actions arising from this include getting the catering and animal care industries in to talk to pupils, getting a talk from Doncaster college about apprenticeships and T levels, LMI to be included in the careers lessons and in mathematics, careers team to attend student council monthly for updates and visits to workplaces next year.
4. Outside swing – Unfortunately, the swing that arrived was too small. We have sent it back for a sturdier swing. Student council were asked where they would like it to be. They said at the back, on the grass, outside Beech so that it can be shared with Mulberry. Julie said that it needs to be on a flat surface.
5. Organised revision sessions – Kath said that on Tuesdays there will be English and Maths. Pupils need to let Julie know on reception what sessions they would like and how they will get home. Kath said that if they cannot get home , we would look at ways around this. Kath offered maths any day after school or dinner time.
6. AOB – Mike introduced himself to the group. Julie asked for agenda items for next week. River wants to fund raise by baking. Harry wants to discuss a basketball hoop. All pupils enjoyed ping pong and would like to play at dinner times.
7. Date and time of next meeting – 29/03/23 at 11am
