1. How often to have these meetings – Pupils opted for once a week
2. Snacks and fruit – Suggestions given were Granny Smith apples, purple grapes, boubon biscuits, spicy doritos, melon, yogurt, actimel. Julie reminded pupil that we are a healthy school and some snacks may have to be an occasional treat rather than once a week. For toast brown bread was suggested and it was decided to look at the 50/50 loaf.
3. Christmas dinner day/ activities – Activities suggested were board games, a Christmas disco and baking. For the dinner, pupils want Christmas crackers, Christmas music and presents. Georgina suggested secret santa and explained what it is.
4. Reading culture – We asked pupils what books they would like in the library that we do not already have. Suggestions were for more factual books such as the Guinness Book of records, the great depression, the art of war. Other suggestions were Ann Dressed in blood and Dr Zeuss books. Kath asked pupils to also ask their friends what they would like.
5. Fund raising – Julie suggested fund raising to give mince pies, teabags and milk to local elderly people. Everyone thought it was a good idea. Derry suggested that we give something to an old folks home in Hexthorpe. We had ideas for fundraising such as growing food and selling it, baking either at home or in school and selling the cakes. Julie said that we already raised £60 from the candle sale and all agreed that we could use the money towards buying the gifts from Maple. It was also suggested that money raised could go towards the books.

7. Date and time of next meeting – Wednesday 30th November at 11am
