### **Minutes of last meeting/ Matters arising**

Thank you to year 10s for your ideas for the student led well being board. What are you going to write in your motivational quotes? Give your ideas to your form tutor.

We need ideas for the well being board from KS3 and Nurture too.

We are hoping to get more funding next year for boxing and skateboarding.

### **Welcome to new pupil on the student council**

We welcomed AC to the student council and explained how our meetings work and the responsibilities of the student councillors.

AC will make an avatar for the display board.

### **Attendance**

99.8% This is an improvement on last week and a slight improvement on last year. Keep it up!

### **Careers**

We care in to the future event 4.7.25. Some pupils will be visiting the Dome for this event.

This event gives the pupils an opportunity to explore a wide-range of careers within the Health and Social care sector. The event will provide an insight into the patient's journey through a hospital, with a number of stalls, stands and interactive booths to visit. CG talked to the other pupils about her experience of the visit last year and she said she enjoyed it.

We will be eating our packed lunch at 11.30am before departing at 12, then leave the Dome at 2pm to return to Maple.

### **AOB**

Nurture pupils asked for more things to be added to the Timber trail in Nurture.

They asked for a longer break time at 1<sup>st</sup> and last break.

They asked for swimming, music lessons and pet day.

They asked for a bake off style competition for the Summer Fair. They suggested bake at home then teacher tastes and judges.
