

## Minutes of student council meeting 26.3.24

Attended Pupils: SM, IW, LH, SK, CA, RP, CJ

Staff: LS, LW, MG

### **Minutes of last meeting/Matters arising**

SK has made a draft letter for parents, staff and pupils for the sale of raffle tickets, any donations of prizes and monetary contributions, to raise money for the Year 11 leavers celebration. She will forward this to LW and then the letters can be sent out.

The Year 11s have chosen black hoodies and are liaising with Lois over the design and ordering.

The Year 11s are still discussing a colour theme for the prom decorations but all are keen on the idea of black background and lights.

**Attendance** 99.8%

### **Careers**

Pupils voiced that they have gone back to being shown 2 minute videos of jobs that they feel are impractical to them. They would like advice about jobs that they are interested in and advice about what to do in an interview, what to wear. They would like to do CVs.

### **Student council representatives**

LW welcomed some new faces at today's meeting. The council and LW will ask the year group representatives that have not been attending meetings, if they would like to continue or if anyone else would like to attend the meetings. When this is confirmed, we can update our notice board and website.

### **AOB**

All year groups would like more out of school trips.

Yr11s are finding the noise of the basketball being bounced outside very distracting all over the building, in every lesson. They understand that some pupils may need time outside but have requested that a quieter ball be used. Last week, a teacher did substitute the basketball with a tennis ball and this helped.

LH requested that more play equipment should be outside Nurture for Elder and Aspen pupils.

The pupils have requested that a tab for 'Student Council' is made easier to find on our website, so that they can read the minutes of the meetings.
