Careers

We had a visit from Doncaster College about apprenticeships yesterday. The notice board area will be updated soon with contact information if you would like more details.

Lunchtime Activities

LH and CG are hosting a chill and chat club for Nurture pupils and have produced a beautiful poster to promote this.

Does anyone have any new lunchtime activity ideas for Core pupils?

AOB

KF said they would like more sports equipment for outside and a new football net. He requested a PE lesson.

EP explained that we have lots of sports equipment but we need structure and rules to have games such as rounders, cricket, tennis. EP is happy to supervise lunchtime sports twice per week.

A suggestion was also made for Mystery clubs

Currently Dungeons and Dragons takes place Tuesday and Fridays.
