

## Minutes for student council meeting 28.11.23

Attended Pupils: SK, CW, LH, RR, ED, CJ

Attended staff: LW, MP

Meeting rearranged from 21.11.23, as school was closed due to Covid.

### **Minutes of last meeting/matters arising**

Well done to SK who has completed her sponsored run. SK is still collecting funds but has raised £1200 so far!! SK has chosen to donate half of the funds to buy science equipment for the lab at Maple.

SLT have approved the extra lunch time clubs. For the Debate club, they would like a proposal of your ideas and for you to ask a member of staff if they can supervise it.

For the VR club, the school council need to think of ways to raise money to buy the VR equipment.

### **Money raised from Children in need day.**

Our theme was Spotacular, everyone was invited to wear something spotty and/or bright coloured. We all enjoyed the day. We raised £105.50.

### **Christmas Donations**

Julie is collecting teabags, mince pies, mini Christmas puddings, custard packets or any luxury items for elderly citizens, who live in the bungalows just down from the school. If anyone would like to donate any items, it would be appreciated. Do you have any elderly Grandparents who live alone who would benefit from a parcel? Also if anyone would like to be considered to help deliver these gifts, please let Julie know.

### **Careers**

Two Year 11 pupils went to the open event at New College. They liked it, they felt the pupils were there because they want to learn rather than just having to attend.

The school council voiced that they would like more time to talk about careers. They feel the session during tutor time would be useful to discuss how to apply and which courses are available for the job they want to do.

Mark explained that Careers are time tabled for the New Year and we are having speakers in. They will also get support to apply for Post 16 provisions.

### **AOB**

ED requested cooking club on Tues or Thurs lunch time.

**Date and time of next meeting 12.12.23 12:20pm**
