

## Student Council Minutes 30/11 2022

### Present

Pupils – River, Ebony, Codie, Daisy, Derry, Hayden, Paige

Staff – Kath, Georgina, Gabrielle, Julie, Jennie

1. Minutes of last meeting/ matters arising – Julie updated everyone that we have listened to their ideas and showed the selection of snacks and books that were asked for. We asked the new members from Mulberry to ask their friends in Mulberry. Kath then asked for ideas to encourage pupils to read at home. One was to allow books to be borrowed from school.
2. Time of meetings – We suggested changing the time of meetings to 12:30pm to allow our Mulberry pupils to attend. All agreed apart from one pupil. We decided to try alternating so that one week was 11am the next week was 12:30pm.
3. Volunteers to take gifts – Julie asked for any volunteers to help distribute the gifts to the old people nearby. Volunteers were River, Ebony, Codie, Daisy, Paige and Hayden. Daisy also said that Patrick would volunteer. They will be going the Tuesday before we break up.
4. Careers – Kath told everyone that Mason is our careers ambassador and to let him know of any suggestions that they may have regarding our careers programme. Ideas that were given to pass on to Mason are to ask the RSPCA to come in because pupils are interested in working with animals. Other careers ambitions mentioned were interrogator, actor and baker. Pupils were then asked if they could also ask their friends. One pupil wants to be a cashier so Julie suggested a trip to the local Asda.
5. Outdoor seating – It was decided that it would be nice to have outdoor seating near the trees and pond. Fold up chairs and plastic furniture was also suggested. Pupils were asked to ask their friends.
